

Tring & District Camera Club 2019-20

Version 29 August 2019

Date	Headline	Commentary for Programme
26 September 2019	First half - General welcome, competitions introduction for the coming season & briefing on competitions and the programme for the season Second Half - Score a Picture	
03 October 2019	Speaker - Paul Mitchell	Presentation by Paul Mitchell based upon his work at Burnham Beeches and the Savernake Forest. In the second half of the presentation, Paul will explain how he processes his images
10 October 2019	Competition 1 - Seasonal Scapes - Print	
17 October 2019	Presentation - Stewart Robinson - Why are there so many different types of lenses? And why do some of them cost so flipping much?	Stewart is the owner of "Lenses for Hire" business in Maidenhead. It's basically an illustrated talk about the history of optics, from Euclid via Galileo, Zeiss and Father Ted to the modern day with all the technology (zooms, fast apertures, image stabilisation, nano coating. etc) which we take more-or-less for granted.
24 October 2019	1st Half - Summer Project Presentations 2nd Half - Tonight you are the judge	
31 October 2019	Speaker - Damon Guy	Damon will give a presentation on portrait photography and will include a practical session for members to practice their portrait photography skills.
07 November 2019	Workshop - Motion and Movement	
14 November 2019	Competition 2 - Square Format - Digital	
21 November 2019	Speaker - John Smith on Forensic Photography	The presentation is on 'Forensic Imaging' or 'Forensic Photography' based on John's experiences of working for forensic science providers in the public and private sectors, independently and now in academia. John will set the scene by explaining how images are used in solving crime cases and then talk through a few long-past cases - crime scene searching, documentation, specialist lighting, image processing, then cover some more recent interesting cases.
28 November 2019	1st Half - Park Street de-brief 2nd Half - Techie talk - Second curtain flash, focus stacking, back button focussing, cleaning a camera sensor,....	
05 December 2019	Competition 3 - Portraits - Print	
12 December 2019	Christmas Social - The Greyhound booked!	
XMAS BREAK		
09 January 2020	Workshop - Bokeh	Bring along those christmas lights
16th January 2020	Speaker - Ted Kinsey	Ted will explain how he went about undertaking a 96 framed image exhibition in an art gallery in Central London, including a 20 minute prime-time radio interview on BBC Radio London.
23rd January 2020	1st Half - Presentation on plans for exhibition on 30th April 2nd Half - Group discussions on subjects for the exhibition	
30th January 2020	1st Half - Gadgets 2nd Half - Creative Photography	The first half of the evening will be some suggestions that members might find useful in their photography which they might not have become aware of in the normal course of events. The second half will be presentations given by pairs of people who have been given Raw images to process and present the results.
06 February 2020	Competition 4 - Motion & Movement - Digital	
13 February 2020	Workshop - Still Life	
20 February 2020	Speaker - Luke Massey - Sony Presentation	This is a 2 part talk of 45 minutes or so with a short interval. Sony will be attendance with a couple of their representatives and an array of their equipment for members to try out.
27 February 2020	1st half - Presentation by Rebecca Fennell 2nd half - My 3 favourite/best images from 2019	Rebecca is a local photographer who has built up her business, focussing on her recent work on food photography
05 March 2020	Competition 5 - Tell a Story - Print	
12 March 2020	3-Way competition	Opposition to be confirmed
